KRISTIN BORITZKE

YPC PRESIDENT 2023

To start, I want to personally say: **thank you**

I am a volunteer with the Children's Hospital Colorado Young Professionals Chapter (YPC) and on behalf of the board, thank you for your consideration in supporting the life-saving mission of Children's Hospital Colorado (CHCO).

YPC hosts various awareness and fundraising events and volunteers throughout the year to support kids being treated at CHCO. We know how important it is for businesses like yours to support local causes that you are passionate about, and we know that almost everyone has been or knows a child that was treated at Children's Hospital Colorado - which makes it all the more special to support.

In an effort to serve the whole child and whole family, all proceeds generated from our Glamp Camp Gala and Superhero Scuttle 5K will be used to meet elevate the non-medical experience of patients and families, and by doing so, brighten the hospital environment for those served by CHCO.

Please review the following information, or connect with us to set up a meeting to talk more about our partnership opportunities. We look forward to partnering with you in 2023!

Sincerely,

Children's Hospital Colorado
Young Professionals Chapter Board Member

here to help kids be kids

The Young Professionals Connection Board supports the mission of Children's Hospital Colorado. We are passionate about supporting the patients and their families. We volunteer our time and efforts to host events throughout the year to raise funds and awareness for Children's Hospital of Colorado's life-saving mission and services. YPC's primary fundraising efforts support Seacrest Studios.

SEACREST STUDIOS

"ALL ABOUT OUR PATIENTS"

A state-of-the-art, multimedia radio and TV studio, Seacrest Studios provides a fun-filled experience on the Anschutz Medical Campus where patients and families leave the rigors of the hospital behind. The studio gives kids the chance to be kids – to sing, to dance, to explore. But most of all, it gives kids a chance to have fun.

While doing so, they might even have a chance to meet some of their heroes. Since opening, Seacrest Studios at Children's Colorado has hosted visits from celebrities like Ed Sheeran, Nick Jonas, Denver Broncos players, astronauts, Olympians and more! Patients at our location in Aurora can come down to the Seacrest Studio to play guest DJ on the microphone, host their very own show, or they participate from their rooms by watching channel 45 on their TV, viewable across four CHCO locations across the front range.

OUR EVENTS

SUPERHERO SKUTTLE 5K

THESE KIDS ARE OUR HEROES **WILL YOU BE THEIRS?**

April 2023 will host our Annual Superhero Scuttle 5K run/walk! The route takes participants around hospital grounds, while the patients cheer them on.

OUR EVENTS

GLAMP CAMP GALA

A NIGHT TO REMEMBER

**AND TO NEVER FORGET
WHY WE DO THIS!**

Our Glamp Camp Gala is an unforgettable experience for young adults to come together to support a great cause, while having a great time dancing, bidding on auction items and enjoying a delicious meal together.

OUR EVENTS

SPECIAL EVENTS

WE HOST AND ASSIST WITH VARIOUS OTHER EVENTS THROUGHOUT THE YEAR TO SUPPORT THE HOSPITAL AND BRING SMILES TO THE KIDS' FACES

ANNUAL CHILDREN'S HOSPITAL TOY RUN

We assist the local motorcycle clubs in their hosting of a toy drive. Endless motorcyclists arrive with Santa each year with toy donations at the doors of the Hospital. We help organize the toys to be distributed to the kids and their families!

GIFT WRAPPING

Around the holidays, our board of volunteers hosts a free-will donation based gift wrapping station. This provides a way for families with kids treated at the hospital and busy hospital staff to save time from wrapping gifts to focus on time spent with their kids. We are their helper elves!

MEAL DELIVERIES

During busy times, we step in to assist with volunteering to deliver meals to hospital staff.

IN-HOSPITAL VOLUNTEERING

We are all about our 'why' and strive to support the patients in all facets. Many of our board members also serve within the hospital walls as volunteers in various roles.
